2024  
Training Sign-up Form**

**Test Coordinator Attending Training:** (print) \_\_\_\_\_

(sign) \_\_\_\_\_

This form must be submitted with your Fall and/or Spring registration(s). Before receiving test materials, non-public schools must participate in a test administration training session for the specific test that is being ordered. Participating schools must receive their training by the NPSTS. The Test Coordinator of the school must attend this training and **NOT** be the teacher or department head of any subject being tested. Participation in this required training verifies that you are fully informed of the terms and conditions of the participation requirements of in the North Carolina Testing Program. Only one person may attend from each school unless online EOC testing- an IT person may attend that test session.
