

NPSTS

Accommodations

Notification

If your school is administering or planning to administer any test offered by NPSTS using accommodations (any method other than standard) this form must be completed and returned to NPSTS. This form must be on file with NPSTS if you plan to give a non standard administration. You may copy additional forms as necessary.

Administration Date

Student

Accommodation

Test

The school has current documentation on file which demonstrates that the accommodations are necessary and typical for these students.

All accommodations will be given in accordance with the rules and procedures outlined in the "Testing Students with Disabilities" document.
