

NCTest Tutorials and Released Test Items

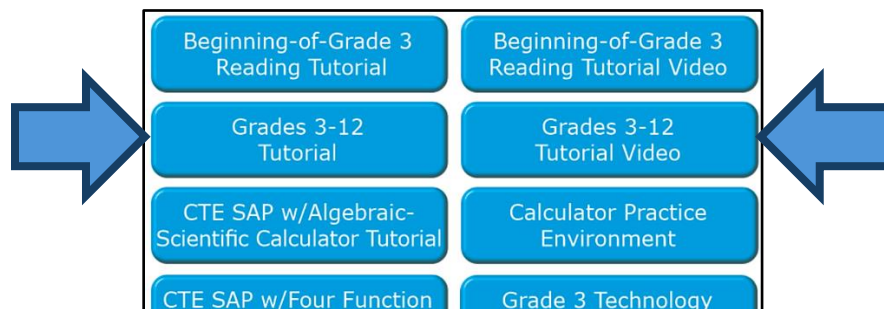

NCTest has additional functionalities beyond testing. These are found under NC Test Released Items and NC Test Tutorials.

SEB Required Tutorials

Test administrators and students are required to complete the NC Test “Grades 3–12 Tutorial” before administering or taking a test.

- The tutorial involves taking a practice test that includes all the major question types (multiple choice, fill in the blank, drag-and-drop, etc...)
 - Click ‘Grades 3–12 Tutorial’ and follow the on-screen prompts.
 - Once the test is complete, click “Exit” to exit the testing program.
- The ‘Grades 3-12 Tutorial Video’ is a video tutorial of how to use NCTest to take an online state-mandated test.

NC Test Released Items

Test items (questions) from prior North Carolina state-mandated tests that are no longer in circulation and are available for lessons and practice tests.

Select the ‘NC Test Released Items’ (bottom left) to access released test items.
